NGUYEN THI NHU Y

MOBILE DEVELOPER

📍 Linh Trung, Thủ Đức, TP Hồ Chí Minh   📞 0796728944   ✉️ nnhuy6935@gmail.com

OBJECTIVE

I am a fourth-year student and I am very interested in the role of internship Mobile - in your company. I have the ability to quickly learn and adapt to new technologies. I always have a spirit of learning and effort to improve my skills in this field. I hope to have the opportunity to actively contribute to the company's software and mobile application development team.

EDUCATION

University of Science - VNUHCM
Major in Software Engineering
2021 - 2025 | **GPA: 8.2/10**

CERTIFICATES

- TOIEC 750 Listening-Reading
- TOIEC 300 Speaking - Writing
- Participate in Digital Security Hackathon 2024

SKILLS

Programming Languages

- HTML
- CSS
- C++ (My foundational Language)
- JavaScript
- Java
- C
- Python

Framework

- React
- Tailwind CSS
- NodeJs
- Flutter

Database

SQLite | Realtime Database | SQL Server

Others

Passion for writing clean and compatible code
Knowledge of OOP, Data Structure and Algorithms.
Knowledge of software development processes and mockup tools

GitHub through collaborationTeam
Organizational, analytical, and problem-solving skills
Self-directed research and information retrieval using Google, ChatGPT.

TEAM PROJECT

Photo Gallery Management Android App   10/2023 - 12/2023
